8 Fairfield, Ilfracombe, Devon, EX34 9ND

Offers Over £550,000

Offering unparalleled views across Ilfracombe and the sea from both the front and side elevations, as well as truly stunning views of Capstone and the Atlantic Ocean beyond from the garden, this bespoke home is absolutely unique. Built in 1966 to a design created by a local photographer, this iconic home is arranged primarily as a bungalow with only a few steps in the entrance hall and again from the sitting room to the dining area. Retaining some period touches such as a frosted glass internal door and the original warm air heating system (powered by a boiler scrupulously maintained under a British Gas service contract) and having been upgraded in other areas (new double glazed sliding doors onto the balcony for example). The sitting room is a wonderfully light and airy double aspect room with high vaulted ceilings and oversize sliding patio style doors onto the balcony with stunning views beyond, the room having the feel of a Tyrolean chalet, which the elevation and views contribute greatly to as well. Steps lead down to the dining area which also offers sea views and has a door leading off to the well fitted kitchen. Along the hallway there are three double bedrooms as well as a family bathroom and separate shower room with WC.
