PROPOSED DWELLING

With a gross internal floor area in excess of 2,000 sq ft, the proposed design by Mark Winklewski Associates is in keeping with surrounding properties, and includes on the ground floor two reception rooms, an open plan dining/kitchen with utility room, store and separate cloakroom/wc off the reception hall. On the upper floor off a galleried landing is the main bedroom with en-suite shower room, three further well proportioned bedrooms and family bathroom. Also proposed is a detached garage with up and over door to front and parking.

The site occupies a corner position extending to approximately 0.05 hectares (0.1235 acres), and currently has a mainly hedged frontage to the roadway.

PLANS

The proposed layout plans, elevations and site plans are provided for guidance purposes only, and are not to scale.
