We Say...

A detached bungalow with fantastic uninterrupted sea views over looking Cardigan Island and Poppit Sands. The property is set in approximately 6 acres of its own land, leading right down to the coast. Viewing is highly recommended to appreciate the view from this property.

The bungalow briefly comprises: an entrance porch, a lounge with a wonderful view of the coastline through the patio doors, a kitchen with matching wall and base units, and door to the front garden. There are three bedrooms two of which are double, and a shower room.

Externally the property is approached via a driveway, offering off road parking for approximately two vehicles as well as a detached garage. To the front of the property there is a patio area offering the perfect spot to sit and enjoy the view. There are approximately six acres of land which leads down to the waters edge, this includes woodland and wild areas to the side creating privacy. This is a rare opportunity, with potential to become a wonderful sea side home.

Location

St Dogmaels is steeped in history with the ruins of the 12th century Abbey at its heart. The village has a village shop, post office, pub, visitor centre with cafe, an award winning local producers market, places of worship and a primary school. The Abbey ruins provide a magnificent backdrop for the annual Shakespeare plays. Nearby Cardigan town offers a range of amenities including; a primary and secondary school, a further education college, major super markets and superstores, banks, several public houses, swimming pool, leisure centre, restaurants and coffee shops and many independently-run local shops.

DIRECTIONS

From our Cardigan office head out of Cardigan over the old bridge and turn immediately right onto St Dogmaels Road. Continue along this road going through St Dogmaels. Head towards Poppit sands, past the carpark and following the road left. Continue along this road for approximately 0.8 miles and the property will be located on your right hand side directly after the youth hostel. WHAT3WORDS - acrobats.simply.readers
